Shelter Sponsorships are a thoughtful way to memorialize or honor a beloved family member, pay tribute to a past or present family pet and effectively advertise a business. These annual sponsorships also promote community involvement and support the Greater Hillsdale Humane Society's mission. It's also a great way to support the shelter if you can't adopt a pet!

As a Shelter Sponsor, your financial support would directly impact animals in our care. Your donation allows you to impact the lives of dozens of animals every year. In return for your sponsorship, you will receive a personalized paw print plaque centrally located on our donor board, biannual updates of animals that have been helped by your donation, acknowledgment on our website, and a tour of the facility.
